

## Development Associate, Asset Management – San Francisco

### **Company Overview:**

Starwood Capital Group is a private investment firm with over \$55 billion in assets under management and a primary focus on real estate. The firm maintains offices in Greenwich, Atlanta, Chicago, Hong Kong, London, Los Angeles, Luxembourg, Miami, San Francisco and Washington, D.C. Starwood Capital's hallmark is to invest opportunistically, moving between asset classes, geographies and positions in the capital stack as the firm perceives risk/return dynamics to be evolving. The firm has invested in nearly every class of real estate on a global basis, including residential, hotel, office, retail, industrial and student housing assets. Additional information about Starwood Capital can be found at [www.starwoodcapital.com](http://www.starwoodcapital.com).

### **Position Description:**

Starwood Capital Group seeks a real estate professional with strong development project management experience. Ideally this candidate will have hospitality experience or exposure, as this candidate will oversee the development of our 1 Hotel brand at two California locations in West Hollywood and Sunnyvale. The role requires experience in project finance and entitlements, collaborating with architecture, engineering, and design teams to drive results from the conceptual drawing to construction drawing phase, and managing the Owner-Architect-Contractor (OAC) meetings once the project is under construction. The candidate will work directly with the Starwood Development team in San Francisco as well as Starwood's joint venture development partner on both projects, The Wurzak Hotel Group. This role may expand into additional hotel/ hospitality developments within Starwood Capital, ranging from new project underwriting through entitlements, construction, and asset management.
